Carroll Township Municipal Authority Meeting Highlights

The meeting for the newly formed Carroll Township Municipal Authority was called to order at 8:30 p.m. on June 12.

Payment of the May bills was approved, with the exception of two, which were estimated sewer bills dated May 23, 1990 from the Dillsburg Borough Authority.

The Board moved to table the proposals from six (6) consulting engineer firms until the July 10, 1990 meeting to give the board members time to review the proposals.

The six malfunctioning meters will be billed the minimum ($61.00) for the third quarter, but the customers will be notified that the inside meter must be read for the fourth quarter and until the meters are fixed.

The Board agreed to notify developer Gary Sweitzer that he has thirty (30) days to repair or replace the malfunctioning flow meter or the Authority will purchase a new flow meter and bill him for the meter and the installation.

Two (2) sewer permits were approved to be issued to Jerry Reichart for his malfunctioning septic systems along Route 194, contingent upon a letter from the Dillsburg Authority that the permits will not be charged against Carroll Township's capacity. The fee will be $1,300 for each permit and Dillsburg Borough Authority will receive $850 for each permit.

Sewer permits were also issued to the following three property owners along Bumper Lane: Mr. and Mrs. Dale Crum, Mrs. Florence K. Williams and Mr. Sylvan Stoner.

The Board decided not to issue any more permits until the flow meter is fixed. After the flow meter is fixed the Authority will know how many gallons per day is going through the meter. If they are too using the 140,000 per day limit, more permits will be issued at that time. Mr. Gary Reihart is requesting 35 permits and Zeigler Golf is requesting 1 permit (for commercial use).

The Authority is asking that the Supervisors and Zoning Officer do not issue any building or zoning permits unless an on lot septic system permit or a sewer permit is attached to the application.

It was moved to order 1,000 letterhead and envelopes from Lasting Impressions in Dillsburg for $90.00. The letterhead and envelopes will be printed in one color showing the authority's name, address and telephone number.

Michael Heikes Joins Law Practice

Michael Heikes, after moving away nearly fifteen years ago, has returned to Dillsburg to join the law practice of William D. Schenck, III.

A 1976 graduate of Northern High School, Michael earned his Bachelor of Arts Degree in Political Science at Penn State University in 1980 and received a law degree from the Marshall Wythe School of Law at the College of William and Mary in Williamsburg, Virginia in 1984.

Upon completion of his legal studies, he passed the Maryland Bar Examination and began practicing in Baltimore with the firm of Venable, Baetjer & Howard, where he worked under the tutelage of Benjamin Civiletti, former Attorney General of the United States in the Carter administration.

In 1986 Michael joined the firm of Kramon & Graham, developing a litigation practice and appeared in civil and criminal matters in Baltimore area courts, including handling a number of matters in the Federal Courts of Baltimore and Washington, D.C.

In 1988, a unique opportunity presented itself when Michael's wife, Dr. Lynn Peko, was offered a three year contract to lecture in child developmental psychology at the Flinders University of South Australia in Adelaide.

Michael joined the firm of Norman Waterhouse and Morton in Adelaide discovering that there are striking differences but a surprising number of similarities between the Australian and American legal systems.

"While the years in Baltimore and Adelaide have been exciting and memorable, we are looking forward to settling down in this area," Michael says, "because as much as we like city life there is something truly alluring about a more rural environment." "Becoming a working part of this community is important to us because we have reached a time in our lives when we are ready to sink roots and make a home for ourselves."

Michael will join the law office of William D. Schenck, III, on a full time basis on July 30.

Now, after nearly two and a half years living by the seaside in Adelaide, (a city of approximately one million people), traveling extensively throughout Australia and New Zealand, Michael has returned to Pennsylvania in June in order to take the Pennsylvania Bar Examination on July 24 and 25. His wife, Lynn, originally from the Pittsburgh area will return to the U.S. after completing the semester in Adelaide in November of this year.
